SOIO
School of Information Operations

We build **Defence capabilities** through **training**

We provide operationally relevant training to defence and industry. Our trainers' comprehensive experience in frontline military operations and instructional roles ensures students receive practical and effective training.

Now accepting Expressions of Interest for training courses. We can also tailor training according to client's requirements. Special discounts apply to group bookings.

Courses Offered:

**ELECTRONIC WARFARE (EW) | UNDERSEA WARFARE (USW) | DEFENCE SPACE OPERATIONS
MARITIME OPERATIONS (MO) | CYBER SECURITY FRAMEWORKS & GOVERNANCE
MILITARY UAS OPERATIONS**

TRAINING COURSES

AVAILABLE COURSES

INFORMATION OPERATIONS SHORT COURSES (SC)

SC001	Electronic Warfare Short Course - 3 Days
SC002	Undersea Warfare - 3 Days
SC003	Defence Space Operations - 3 Days
SC004	Maritime Operations - 3 Days
SC005	Cyber Security Frameworks and Governance - 2 Days
SC006	Military Uncrewed Aerial Systems - 3 Days

ELECTRONIC WARFARE (EW)

EW001	Electronic Warfare Fundamentals - 10 Days
EW002	Electronic Warfare Electro-Optics - 10 Days

ELECTRONIC WARFARE OPERATIONS (EW0)

EWO001	Operational Electronic Warfare Workshop - 5 Days
EWO002	Electronic Warfare Mission Planning and Briefing Workshop - 4 Days
EWO003	Electronic Warfare Mission Debriefing Workshop - 2 Days

ELECTRONIC WARFARE OPERATIONAL SUPPORT (EWOS)

EWOS001	Composition and Functions of an Electronic Warfare Operational Support Organisation - 4 Days
EWOS002	Electronic Warfare Equipment Specific Databases - 5 Days
EWOS003	Electronic Warfare Mission Data Generation - 3 Days
EWOS004	Electronic Warfare Mission Data Test and Verification - 5 Days
EWOS005	Electronic Warfare Post-Mission Data Analysis - 4 Days
EWOS006	EWOSC Management Workshop - 5 Days

ELECTRONIC WARFARE TACTICS AND COUNTERMEASURES (EWTCM)

EWTCM001	Electronic Countermeasures - 10 Days
EWTCM002	Introduction to Threat Vulnerability Analysis and Countermeasures Development - 20 Days
EWTCM003	Advanced Electronic Warfare Threat Vulnerability Analysis and Countermeasures Development - 60 Days
EWTCM004	Electronic Warfare Modelling and Simulation Workshop - 20 Days
EWTCM005	Electronic Warfare Tactics Techniques and Procedures - 3 Days

ELECTRONIC WARFARE INTELLIGENCE (EWI)

EWI001	Introduction to Electronic Intelligence - 10 Days
EWI002	Advanced Electronic Intelligence - 10 Days
EWI003	Electronic Warfare Database Management Systems - 10 Days
EWI004	Function Analysis Workshop - 4 Days
EWI005	Analysis of Recorded Data Workshop - 2 Days
EWI006	Open Source Data Collection Workshop - 3 Days
EWI007	Electronic Order of Battle Derivation Workshop - 3 Days Mission Data Requirement
EWI008	Specification Workshop - 5 Days
EWI009	Communications Intelligence Foundation - 15 Days
EWI010	Communications Intelligence Advanced - 7 Days

CYBER SECURITY (CYSEC)

CySec001	Baseline – Core Cyber Module - 15 Days
CySec002	Baseline – Cyber Management Module - 10 Days

Courses below the line may be available from Leonardo and are made up of core and elective modules. Training can be further tailored for additional content on other relevant defence, cyber or electronics subjects as required.
